

Modification of the  
Administrative Order for Response Activity  
Former Smiths Industries Facility  
Eastern Avenue, SE, Wyoming, Kent County, Michigan  
MDEQ Docket No. AO-RRD-07-001

Paragraph 5.1(b)(1) of the Order is amended to extend the deadline as follows:

- (1) Within sixty (60) days of the Effective Date of this Order: (a) obtain access to the Property to operate and maintain the existing groundwater and soil remediation systems, and (b) commence operation and maintenance of the existing groundwater and soil remediation systems installed at the Property as they were designed.

All other aspects of the Order as originally issued on August 28, 2007, remain in full force and effect.

This modification became effective on September 28, 2007.

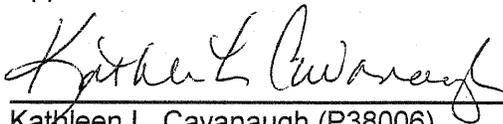

Andrew W. Hogarth, Chief  
Remediation and Redevelopment Division  
Michigan Department of Environmental Quality
