CREDIT: Each of the courses offered above counts toward the continuing septage education (CSE) requirements outlined in Section 11703 of Part 117, Septage Waste Servicers, Natural Resources and Environmental Protection Act, 1994 PA 451. All continuing CSE credits will be credited to the designated "responsible agent" for a given Michigan licensed septage firm.

Total maximum CSE credit hours = 6.75 hours

TRAINING BULLETIN

2011

COST: Registration fees and other conference details can be found by calling IOWPA at 317-889-2382 or by going on-line at www.iowpa.org.

Be sure to send a copy of the receipt of registration payment and certificate or proof of course completion form EQP 5918 from MDNRE for reimbursement.

Course Cancellation/

Rescheduling: Some courses may be cancelled or rescheduled due to low enrollment/registration or other reasons. MDNRE is not responsible for any course cancelled or rescheduled by a sponsor. MDNRE is not responsible for any course cancelled or rescheduled by a course sponsor. Course sponsors are strongly encouraged to notify the MDNRE and those who have registered for the course in a timely manner when a course is cancelled or rescheduled prior to the date the course is scheduled to be offered. Any septage waste hauler that is licensed in the state of Michigan should check to make sure that a course is approved before attendance if you desire to receive credit toward CSE requirements. Credit cannot be given for attendance at an unapproved course. This is true for prospective septage waste haulers also.
