WATER WITHDRAWAL PERMIT

Issued under Part 327

Great Lakes Preservation, Natural Resources and Environmental Protection Act
1994 PA 451, as amended

In accordance with Part 327, Great Lakes Preservation, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended (NREPA), authority is hereby given to withdraw water from the waters of the State of Michigan as described herein. This permit is issued in reliance on information supplied in the corresponding application and other information as may have been supplied by the permit applicant in support of that application.

PERMIT NUMBER: **2012-001**

DATE ISSUED: August 30, 2012

Permittee Name and Address: Lafarge Presque Isle Quarry
11351 East Grand Lake Road
Presque Isle, Michigan 49777

Location Information

County where Water Withdrawal is Located: Presque Isle County

Township Name, Town, Range and Section: Presque Isle Township, T34N, R08E, Section 34

The activity authorized by this permit is subject to the following limitations and conditions:

Section A. Authorizations and Coverage Provisions

1. **Water Withdrawal is restricted to the following sources, locations and rates above the baseline capacity established with the DEQ:**

Source	Latitude and Longitude	Withdrawal Rate	Purpose of Use
Quarry pit	45.29775, -83.44631	2,200 gallons per minute	Quarry dewatering

2. **Approval Conditions**

- a) None.

Section B. Reporting and Record Keeping

1. **Environmental Impacts**

The permittee is required to immediately contact the DEQ, Water Resources Division, Gaylord Field Office at 989-705-3420 if an Adverse Resource Impact (ARI) occurs in association with the water withdrawal authorized by this permit. An ARI is defined in section 32701(1)(a) of the NREPA as decreasing the flow of a river or stream such that the river's or stream's ability to support characteristic fish populations is functionally impaired, or decreasing the level of a lake or pond through a direct withdrawal in a manner that would impair or destroy the lake or pond or the uses made of it, including functional impairment of its ability to support characteristic fish populations.

2. Water Use Report

All registered large quantity water users and water withdrawal permit holders receive a water use reporting form and water use reporting fee invoice from the State of Michigan each year. The completed water use report and reporting fee (if applicable) must be submitted to the DEQ no later than April 1st of each year.

Section C. Liability

1. Noncompliance

Commencing the water withdrawal authorized herein confirms the permittee's acceptance and agreement to comply with all terms and conditions of this permit. Noncompliance with these terms and conditions, and/or the initiation of other regulated activities not specifically authorized by this permit, shall be cause for the modification, suspension, or revocation of this permit, in whole or in part. Further, the DEQ may initiate criminal and/or civil proceedings to correct deficiencies, protect natural resource values, and secure compliance with law.

2. Limitations

This permit does not convey property rights in water, or other real or personal property, authorize any injury to private property or invasion of public or private rights, or waive the necessity of obtaining any other applicable federal, state or local permit or approval.

Authority granted by this permit does not waive requirements under any other applicable federal, state or local permit or authorization obligations.

3. Indemnification

The permittee shall indemnify and hold harmless the State of Michigan and its departments, agencies, officials, employees, agents and representatives for any and all claims or causes of action arising from acts or omissions of the permittee, or employees, agents, or representatives of the permittee, undertaken in connection with this permit. This permit shall not be construed as an indemnity by the State of Michigan for the benefit of the permittee or any other person.
