*Donna Twinkler, U.S. EPA Region 5 –  
Waste, Pesticides and Toxics Division*

4:00 pm

#### Adjourn

### SPECTRUM HEALTH BUTTERWORTH HOSPITAL

100 Michigan St. NE • Grand Rapids, MI 49503-2555

[www.spectrum-health.org](http://www.spectrum-health.org)

### WHO SHOULD ATTEND

The Michigan Green Health Care Conference is intended for the health-care industry. Specifically, it is for individuals affiliated with engineering and environmental services departments and those who have a passion for reducing the ecological footprint of their facilities.

### CONFERENCE HIGHLIGHTS

- Strategies to build an effective green team
- Ways to increase energy efficiency through geothermal and storm water design
- Update on the Michigan Green Health Care Committee's work groups
- Green initiatives seen first-hand via a tour of Spectrum Health Lemmen-Holton Cancer Pavilion & Spectrum Health Butterworth Hospital Energy Center

### POSTER DISPLAY OPTION

Demonstrations of green practices and projects are already in place. Poster displays of successful **case studies** will be accepted. We will **not** be accepting vendor displays. Poster displays should be no larger than 3 ft. x 2 ft. Gator Foam (or material like it) is recommended because displays will be showcased on an easel. Limited space is available so requests for space will be granted on a first come, first serve basis. **Pre-registration for space is required and can be done online.**

### REGISTRATION

Register on-line at [www.michigan.gov/dnreworkshops](http://www.michigan.gov/dnreworkshops) and scroll down to Michigan Green Health Care Conference.

The \$50 fee covers the costs of refreshments, lunch and speakers. For registration questions contact the MDNRE Environmental Assistance Center at (800) 662-9278.
