TAKEBACK PROGRAM INFORMATION

9. Please describe your takeback program.

Acer America Corporation offers two take-back programs. One is offered on the Acer America website and the other is offered on the Gateway website. Both programs are web-based mail back offerings that are free to the consumer, including shipping. A consumer wishing to trade-in or recycle old Acer, Gateway or emachines products can go online and enter their product information into the web-based tool. A postage paid mailing label will then be sent to the consumer so they can package and mail back their product. As an added bonus, the Gateway site program will pay the consumer if their product has residual value.

10. What information do you provide to consumers on how and where to return covered electronic devices that are labeled with your name or brand label?

All consumer education information is provided on the websites indicated above, and it instructs the consumer on what products are included in the program, how to use the online tool, and how to prepare and ship their product for recycling.

11. How do you provide information to consumers on how and where to return covered electronic devices?

All consumer education information is provided on the websites indicated above.
