## TAKEBACK PROGRAM INFORMATION

9. Please describe your takeback program.

ANYTHING IT

In partnership with the United States Postal Services (USPS.gov), customers can now ship their legacy and outdated mobile products (laptops, tablets and other mobile devices) free of charge to AnythingIT (AIT) and have it recycled for free through the Free Recycling Program.

All other items (servers, storage, desktops and scanners) will be received by AIT at a regional processing facility. There will be no cost for recycling the items upon receipt, however, customers are responsible for shipping costs. AIT can assist in the coordination of shipping services as needed by customers.

APTO SOLUTIONS

Upgrade to the latest Fujitsu products and get cash back from Apto Solutions when you trade-in legacy, excess or non-performing servers, storage, mobile devices, and other IT assets. Any OEM hardware is eligible. Additional services include disk sanitization, chain of custody/compliance documentation and complete reverse logistics

10. What information do you provide to consumers on how and where to return covered electronic devices that are labeled with your name or brand label?

Complete the Trade-In Program Form ( <http://solutions.us.fujitsu.com/www/tradefrm.xls> ) and provide a copy of Proof of Purchase.
