TAKEBACK PROGRAM INFORMATION

9. Please describe your takeback program.

Consumers in Michigan are able to return their used Medion manufactured covered electronic devices for recycling through the above website free of charge. The program covers Medion manufactured desktop and notebook computers and computer monitors. Medion has partnered with a leading US recycler to offer this program.

The program will be Medion's recycling pages at www0.aerccr.com/aerccr/mediontakeback.aspx.

Consumers in Michigan can access the website and enter information about their location and equipment. Based on this information, a shipping label is generated, which the consumer can use to ship the used Medion product to our chosen partner for recycling free of charge. The consumer merely packs the product and drops it at the nearest drop-off location. Consumers can also get further information on the program on Medion's website at www.medionusa.com/company and by clicking on 'Environment'.
