TAKEBACK PROGRAM INFORMATION

9. Please describe your takeback program.
Sharp participates in the MRM Electronics Recycling program in Michigan. Under this program, consumers can bring qualified electronic items to MRM-sponsored collection sites across the state and receive recycling for free. MRM contracts with environmentally responsible recyclers to provide recycling services on behalf of the manufacturers partcipating in the MRM program.

10. What information do you provide to consumers on how and where to return covered electronic devices that are labeled with your name or brand label?
MRM provides general recycling information in product operation manuals and on the Sharp website. As a participant in the MRM Electronics Recycling program in MIchigan, we rely on the comprehensive list of all MRM sites that appears on the MRM website (http://www.mrmrecycling.com). MRM also provides and address and telelphone number for each location so that consumers can call the recycling site if they have additional questions. THe MRM website provides information on which products and manufacturer brands can be dropped off for free recycling at the sites.

11. How do you provide information to consumers on how and where to return covered electronic devices?
Sharp Electronics Corporation provides information through the MRM website and toll free numbers. In addition, MRM provides outreach about its recycling program and locations through press releases and in periodic joint announcements and advertising with collection sites.
