

CHANGE OF PUBLIC SWIMMING POOL PROGRAM CONSTRUCTION PERMIT AND LICENSE FEES

In late 2004, the Public Health Code (PHC), 1978 PA 238, as amended, authorized the Michigan Department of Environment, Great Lakes, and Energy (EGLE) to charge construction permit and license fees for public swimming pools. These fees replaced the general fund tax dollars formerly used to fund the public swimming pool program. The PHC also authorized that these fees be adjusted every three (3) years by an amount that reflects the cumulative annual percentage change in the Detroit consumer price index. The sixth and most recent three-year change is in effect beginning 10/01/2022 with an increase of 16.2%.

The adjusted Public Swimming Pool Construction Permit (CP) and License fee schedule based on the pool surface area is as follows and is effective through 2025:

Swimming Pool Fee Category	Adjusted Fee
CP 0 – 500 sq. ft.	\$806
CP 501 – 1500 sq. ft.	\$1,028

EGLE has revised the Public Swimming Pool Construction Permit Application to reflect the adjusted fee schedule. The CP application and swimming pool rule book documents are posted on our webpage at Michigan.gov/EGLEPublicSwimmingPools.

Pre-printed license invoices mailed to public swimming pool owners, generally in October, will have the correct licensing fee. Please note that the late fee adds \$100 to the annual renewal fee and is assessed after December 31 through April 30. The lapsed fee adds another \$50 to the annual renewal fee and is assessed after April 30.

Please note that local health departments are entitled to, and may collect, additional fees for services provided, such as swimming pool inspections. Please contact your local health department for their fee information and schedule. Please do not send the local health department inspection fee to EGLE.
