

Water Treatment Additives with the Rule 57(2) Minimum Toxicity
Data Base for Aquatic Life

NOTE: The presence of a water treatment additive on this list does not constitute approval for its use. Approval is determined on a case-by-case basis for each site-specific facility. This list only includes water treatment additives with the Rule 57(2) minimum data for aquatic life. This list does not preclude adding water treatment additives or approval of water treatment additives at specific facilities.
