

Sample Audit Opinion for Business Entity

Independent Auditors' Report

To the Board of Directors and Shareholders
Company XYZ
Address

We have audited the accompanying balance sheets of X Company as of December 31, 20X2, 20X1 and 20X0, and the related statements of income, retained earnings, and cash flows for the years then ended. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of XYZ Company as of December 31, 20X2, 20X1 and 20X0, and the results of its operations and its cash flows for the years then ended in conformity with accounting principals generally accepted in the United States of America.
