

2017 INDUSTRIAL STORM WATER CERTIFIED OPERATOR TRAINING / EXAM SCHEDULE

Individuals seeking to become Industrial Storm Water (ISW) Certified Operators for the first time must pre-register with the appropriate Registration Contact for the desired training session listed below. Before attending a training session, the individual should review the DEQ ISW webpage, specifically the following sections: the ISW Operator Training Manual and review exercise, the visual assessment tutorials, and the industrial activity specific controls section. Please bring a copy of the ISW Operator Training Manual to the training session. A current training manual can be downloaded from the DEQ ISW webpage at: http://www.michigan.gov/deq/0,1607,7-135-3313_3682_3716-24018--00.html

The trainee will then be required to mail a complete certification application along with the certification fee of \$30 to the address identified on the application to receive the certification. **PAYMENT IS NOT REQUIRED BEFORE THE TRAINEE ATTENDS THE TRAINING SESSION OR WRITES THE EXAM.** Trainees must bring a picture ID (driver license or passport) to the training session. The training and exam will take approximately 4 hours. **All Classes start at 9:00AM.**
