# Contractor's Qualifications Form – FY 13 Proposals

(Authorized by 1994 P.A. 451)

For each known contractor providing professional services included in the budget, include a brief summary of the contractor's qualifications below. Include this form as part of the application package. If the contractor has not been selected use a short description of the activity with "TBD" as a contractual line item on the budget.

Data Universal Numbering System, or [DUNS](#), numbers must be included on this form for each contractor receiving \$25,000 or more in grant funds or providing \$25,000 or more in matching funds.

Debarment Suspension List link: [www.epls.gov](http://www.epls.gov). Current wage information for the U.S. Environmental Protection Agency (U.S. EPA) consultant cap equal to Level IV of the Executive Schedule, which as of January 2011 is \$74.76 per hour and \$598.08 per day.
