Attached you will find the September 2013 Child Welfare Management Tool. Please note:

On the attached report, 0% indicates cases were eligible for an activity but compliance was 0%; blank fields or N/A indicates no cases were eligible for the activity during the report period.

This report format provides aggregate data for: August 2013 (July and August 2013 for Health Reports), "Last Quarter" (May 2013 – July 2013), and "Last Year (August 2012 – August 2013). Additionally, there is a "sparkline" which shows the performance trend from last year to the current month (August 2013).

Performance on strategic plan outcomes are provided by county and a roll up on all outcomes is provided by BSC.

Please note: Data for this report was pulled the first week in September. Any clean-up activities or additional data entry completed between the date the data was pulled and the day of this report issuance will not be reflected until the next report.

The purpose of providing quarterly and yearly data is to reflect performance from the significant data clean-up efforts currently under way.

## CHILD WELFARE MANAGEMENT TOOL

### HOW TO READ THIS REPORT

The Child Welfare Management Tool is a high-level, condensed format report combining 14 reports currently available on InfoView for the purpose of providing a snapshot of county performance on four Strategic Plan Outcomes. This report does not supplant the InfoView reports; rather, it provides an at a glance look at county performance in a handful of key performance areas. For monthly statistics or case level detail, please refer to the individual reports located on InfoView.
