The Modified Settlement Agreement indicates that DHS shall ensure each county has a sufficient number and adequate array of foster homes capable of serving the needs of those children coming into care. The attached scorecards reflect the counties' progress towards completing the FY2013 goal. In September 2013, the Bureau of Children and Adult Licensing (BCAL) reported 78 new, unrelated foster homes were licensed. The unrelated foster homes continue to be reviewed and verified by the Division of Continuous Quality Improvement (DCQI) and are subject to change.

A special congratulations to **Alcona/Alpena/Montmorency, Alger/Marquette/Schoolcraft, Allegan, Arenac/Gladwin, Barry, Berrien, Branch, Calhoun, Charlevoix/Emmet, Cheboygan/Presque Isle, Chippewa/Luce/Mackinac, Clare/Missaukee/Wexford, Delta, Dickinson, Eaton, Gogebic/Iron/Ontonagon, Iosco/Ogemaw/Roscommon, Isabella, Lake/Newaygo, Lapeer, Lenawee, Livingston, Mason/Oceana, Mecosta/Osceola, Midland, Monroe, Muskegon, Oakland, Shiawassee and Van Buren** counties for meeting or exceeding their non-relative foster home FY2013 goals.

Adoptions

In FY2013, 77% of the number of children who are legally free for adoption with the goal of adoption as of September 30, 2012 must have adoptions finalized by September 30, 2013. Based on an initial data pull, an estimated 2,200 adoptions must be completed by September 30, 2013 to exceed the 77% goal.

Congratulations! Based upon adoption data provided by the Department of Human Services Data Management Unit, the State of Michigan exceeded the FY2013 MSA goal by **57 adoptions**.

Relative Licensing Goals

The placement of children with appropriate relatives as out of home caregivers continues to be a priority of the Department. However, all unlicensed relative placements must have at least one of the following, depending on the length of time since a child's placement:

1. A completed and approved home study within 30 days of placement for initial placements; and prior to placement for replacements. Completion and approval dates both must be entered into SWSS.
2. If a relative is pursuing licensure, but is not yet enrolled, the case file should contain a record of the referral date to the licensing worker and an up-to-date status of the licensing process. This information can be input into the licensing database and the referral date can be entered in SWSS.
3. If pursuing a waiver, a completed DHS-875 must be signed by the DHS county director. Completion and approval dates both must be entered into SWSS.

Data reporting on the number of placements with unlicensed relatives continues to be a challenge because many SWSS case records do not reflect an approved home study or waiver, and relatives are not enrolled to be licensed with BCAL. Local office management must use the regularly updated “relative placement” reports on the Child Welfare Field Operations SharePoint site to identify and monitor those cases that require additional data entry or action.

Due to technical report issues, we are not reporting the average number of days to licensure this month.

Statewide Foster/Adoptive Parent Tracking Database

A statewide Foster/Adoptive Parent Database was developed and is accessible through the JJOLT system to assist all DHS offices and PAFC partners. The Foster/Adoptive Parent Database assists agencies in tracking follow-up efforts with all foster/adoptive and relative referrals for licensure. The Foster/Adoptive Parent Database also assists in tracking retention, recruitment, and foster/adoptive parent training efforts and activities. The data from this database is used to report licensing, recruitment, and retention activities to the monitors for the MSA. **With the delay of MiSACWIS, all DHS agencies and PAFC partners should continue utilizing the database.**

Fingerprinting Update

As of June 1, 2013, the statewide contract for fingerprinting foster, adoptive and kinship families is no longer held by Cogent Inc. The new multi-department, statewide fingerprinting contract was awarded to MorphoTrust USA (formally known as L1 Solutions) and was effective 6/1/2013. This is a statewide contract involving the Department of Human Services, Department of Corrections, Department of Community Health and others.

Workers **must** register and schedule fingerprinting appointments for all applicants either online or through the call center **before** the applicants go to the local site for the fingerprinting clearances. Prospective foster, adoptive and kinship families **are not** supposed to schedule their own fingerprinting appointments.

Active sites are added daily. Additional hours of availability for certain sites are being negotiated with the contractor. However, please notify Nicole Leitch at LeitchN@michigan.gov with any concerns or issues with the fingerprinting process.
