

Pam Posthumus Signature Auction Event

Wednesday, May 16, 2012

This is your opportunity to enjoy a fun filled evening, seeing old friends and meeting new ones. There will be a wide-array of unique and affordable silent auction items, as well a block of one-of-a-kind live auction choices; all for the noble cause of child abuse prevention. To purchase tickets to the tenth annual Children's Trust Fund ***Pam Posthumus Signature Auction Event*** visit www.michigan.gov/ctfauction.

The Children's Trust Fund (CTF) was established by the Michigan Legislature with the sole purpose to help prevent child abuse in Michigan. The CTF receives no state funding, so the auction is a critical source of funds to CTF in order to perform its core mission--to protect Michigan's children.

The evening begins with a silent auction at 5:00 p.m. on Wednesday, May 16, at the Lansing Center in Downtown Lansing, following by an exquisite live auction at 7:00 p.m. For a preview of live auction items [click here](#). For more information about the Signature Auction Event, please visit, www.michigan.gov/ctfsignature.

We hope to see you on May 16 in support of Michigan's children and families!
