

DRESS them for SUCCESS

Clothing

Whether it's a required school uniform, shoes, or a new back-to-school outfit, the confidence and comfort that clothing gives a child greatly impacts their self-esteem and success in the classroom.

Back Packs & School Supplies

In addition to being dressed for success, having the right tools for the school day are vital to getting good grades.

Personal Care Items

Getting ready and feeling good can make a world of difference. Items like combs, tooth brushes and toothpaste are missing from many homes right in your neighborhood.
