

DHS BIENNIAL REPORT FY 2007-08

STATE OF MICHIGAN
**Department
of Human
Services**

MISSION

The Michigan Department of Human Services assists children, families and vulnerable adults to be safe, stable and self-supporting.

VISION

We will:

- Reduce poverty.
- Help all children have a great start in life.
- Help our clients achieve their full potential.

EMPLOYEES

The FY 2009 DHS budget appropriates 10,401 full-time equated positions. Most positions are located in local offices as family independence specialists, eligibility specialists, child and adult service specialists, disability examiners, clerical and investigative staff. The remaining employees provide management and support for field staff; provide support services such as data processing, policy development, personnel, financial management; and operate centrally administered programs or work in residential care facilities.

LOCATIONS

The central administrative offices are located in Lansing. Services to clients are available through a county office network. Some of the more heavily populated areas have several district offices. For example, Wayne County has 18 district offices and Oakland County has five. Some staff serve clients through Family Resource Centers located in 71 community schools.

INFORMATION

DHS program and service information is available via Internet at www.michigan.gov/dhs.

BUDGET

The total FY 2009 appropriation is \$4.5 billion. Child day care is one of DHS' largest programs, with an appropriation of \$382 million. The Family Independence Program (FIP) has appropriated funds of \$360 million. The federal government shares in the cost of FIP and State Emergency Relief and pays virtually all Food Assistance, Low Income Home Energy Assistance Program and Weatherization costs. The State Disability Assistance program is state funded.

FINANCIAL ASSISTANCE PROGRAMS

For FY 2008 information on financial assistance programs, see one of these online reports located at www.michigan.gov/dhs under "News, Publications & Information":

- Under "Statistics Annual Report" see Program Statistics FY 2008 (Pub170).
- Under "Publications" see "Information Packet Pub 790 (April 2008).
- Under "Reports, Evaluations and Studies" see "Program Descriptions for FY 2009".

Bureau of Community Action and Economic Opportunity

Provides technical assistance and oversight to 30 community action agencies and two limited purpose agencies administering the federally-funded Community Services Block Grant, Weatherization Assistance Program, Temporary Assistance to Needy Families, Low-income Home Energy Assistance Program and other funding sources that flow to the local agencies through DHS.

Child Development and Care/ Child Day Care Services (CDC)

Pays all or a portion of child day care expenses for low-income families when the parent, legal guardian, or other caretaker is unavailable to provide child care due to employment, education, and/or a health/social condition for which treatment is being received. In FY 2008, a monthly average of 97,856 children received day care support. In 2008, the DHS began a program to upgrade integrity in the Child Day Care Program.

Office of Child Support

In partnership with local friends of the court and prosecuting attorneys, establishes paternity, establishes support orders, and collects and distributes child support payments through the statewide Michigan Child Support Enforcement System. Almost 950,000 children had cases in September 2008. The office distributed \$1.3 billion to families during 2008.

Family Independence Program (FIP)

Provides cash assistance to eligible families with children. A typical FIP case is composed of one parent and two children. A family with income may be eligible if the income is less than the family's needs by FIP standards. DHS also provides in-home, family-based services that connect the family to community resources to prevent child abuse/neglect and enhance family interactions. Many FIP

adults participate in the Jobs, Employment and Training, or JET, program. For more information see www.michigan.gov/jet.

Food Assistance Program (FAP)

Increases the food purchasing power of low-income households. In FY 2008, a household of four with a monthly gross income of \$3,534 or less, and net income (gross income minus allowable expenses) of less than \$1,956, qualified for benefits. Food Assistance benefits decrease as income increases. In 2008, more than 1.2 million people received benefits.

Low Income Home Energy Assistance Program (LIHEAP)

Helps meet home heating costs. Some households may have received more than one LIHEAP service. LIHEAP funds for heating assistance are also available through the Home Heating Credit (Department of Treasury).

Medicaid (Medical Assistance Program)

Provides necessary health care services for FIP and SSI recipients and other low-income people who are under age 21, caring for children, pregnant, disabled, blind, or age 65 and older. Medicaid funds are administered by the Michigan Department of Community Health. Eligibility is determined by DHS staff. About 1.6 million Michigan residents receive medical benefits.

State Disability Assistance (SDA)

Provides cash assistance to disabled adults who do not have dependent children. To qualify, a person must be unable to work for at least 90 days due to physical or mental impairment. A person with income can be eligible for SDA if his/her income is less than his/her needs by SDA standards.

FINANCIAL ASSISTANCE PROGRAMS (Cont'd)

State Emergency Relief (SER)

Provides limited assistance to individuals and families facing emergencies that threaten their health or safety. Covered services include: rent payments to avoid homelessness; house payments and property tax payments when foreclosure or tax sales are imminent; home repairs; assistance with home heating, electric, and water bills; and burial assistance. DHS contracts with the Salvation Army to provide emergency shelter statewide. Anyone in need may apply for SER. Eligibility is not limited to recipients of other DHS assistance.

Supplemental Security Income (SSI)

The Social Security Administration manages this program for people who are blind, disabled, or elderly. DHS pays a supplement to all SSI recipients. Recipients of SSI are also automatically eligible for Medicaid.

Youth Programs

Youth in Transition (YIT) is a funding source available to eligible youths in or exiting the foster care system. These funds can pay for educational needs, job training, independent living skills training, self-esteem counseling, and other supports designed to equip teens with the skills necessary to function as successful adults.

Michigan Manpower Information and Services to Transitioning Youth (MISTY) program is a statewide, comprehensive employment, vocational and job training program that is funded and managed by DHS. The program provides funding for transitional/reintegration services for state wards (P.A. 150).

Educational Training Vouchers (ETVs) are scholarships awarded to YIT eligible youths and youths that were adopted from the child abuse/neglect system after their 16th birthday. These awards provide up to \$5,000 per year for costs related to attendance at accredited post-secondary education programs or training. To apply online go to <http://mietv.1ssm.org/>.

BUREAU OF CHILDREN AND ADULT LICENSING

The Bureau of Children and Adult Licensing is authorized to provide protection to vulnerable adults and children through the regulation and consultation with licensed agencies, facilities, and home. It is comprised of three divisions listed here.

For information on licensing laws, publications and information see these reports online at www.michigan.gov/dhs under "News, Publications & Information" under "Publications":

- Licensing - Adult Foster Care & Homes for the Aged.
- Licensing - Child Care.
- Licensing - Child Welfare.

For other information go to www.michigan.gov/dhs and click the "Licensing" Quick Link.

Adult Foster Care and Homes for the Aged

Provides for the prevention of harm and the protection of vulnerable adults by licensing and regulating adult foster care homes, homes

for the aged, and specialized programs for developmentally disabled and mentally ill individuals who reside in adult foster care.

Child Care Licensing Division

Provides for the safety and protection of children in child care through licensing and regulating facilities. The division is committed to promoting the improvement of the health, safety, and development of children in child care through technical assistance, consultation, and education to providers and the public. Child care facilities include both homes and centers as well as family and group day care homes.

Child Welfare Licensing

Provides for the safety and protection of children in out-of-home care through licensing and regulation of facilities. Licensed organizations include child-placing agencies, child caring institutions, court operated facilities, children's foster home and child and adult foster care camps.

SERVICE PROGRAMS

For FY 2008 information on services programs, please see one of these online reports located at www.michigan.gov/dhs under "News, Publications & Information":

- Under "Statistics Annual Report" see Program Statistics FY 2008 (Pub 170).
- Under "Publications" see "Information Packet Pub 790 (April 2008).
- Under "Reports, Evaluations and Studies" see "Program Descriptions for FY 2009".

Adoption Services

Plans and supervises adoptive placement of permanent state or DHS-supervised court wards. The Michigan Children's Institute superintendent acts as legal guardian for permanent state wards. Payment and medical assistance to parents adopting children with special needs may also be provided.

Central Adoption Registry

DHS maintains a file of statements by former parents and former adult siblings consenting to or denying release of identifying information to an adult adoptee. The registry is accessed by the court or adoption agency only, upon request by the adult adoptee.

Adult Community Placement

Provides community placement coordination for licensed, residential care for aged, physically handicapped or developmentally disabled adults who are unable to live alone.

Adult Independent Living Services

Offers a range of Medicaid and non-Medicaid services to individuals of any age who require consultation or assistance to maintain and maximize functional capacity within their own homes or other independent living arrangements.

SERVICE PROGRAMS (Cont'd)

Adult Protective Services (APS)

APS staff investigate allegations of abuse, neglect or exploitation and provide protection to vulnerable adults. Abuse is harm or threatened harm to an adult's health or welfare caused by another person. Neglect is harm to an adult's health or welfare caused by the inability of the adult to respond to a harmful situation (self-neglect) or the conduct of a person who assumes responsibility for a significant aspect of the adult's health or welfare. Exploitation is the misuse of an adult's funds, property, or personal dignity by another person. Reports of abuse, neglect and exploitation can be reported to the Adult Protective Services Hotline at 1-800-996-6228 or by contacting your local Department of Human Services office.

Bureau of Juvenile Justice (BJJ)

Provides care and supervision for juveniles placed in public residential treatment centers, quality assurance for juvenile justice programs in Michigan, training for all juvenile justice professionals in the state of Michigan, grant management for federal grants, and the administration and monitoring of the Child Care Fund. Services encompass a range of prevention, rehabilitation and residential programs to juvenile offenders ages 12 through 20. Placement options range from community-based programs to secure facilities with specialized treatment. BJJ programs are comprehensive and individualized, providing appropriate educational services, mental health services, family involvement and reintegration services.

Children's Foster Care

Foster care provides placement, care and supervision for children who are temporary or permanent court or state wards. This includes children who cannot remain at home because the parents are unable to provide minimal care and supervision. Department delivered services are focused on resolving the problems which necessitated the child's removal and providing stability and permanency for the child.

About 6,250 foster children reside in licensed foster care. About 6,400 children are placed with relative caregivers. About 2,000 children have been returned home under continued DHS supervision and about 1,200 are in institutional settings such as residential and shelter facilities. Placement decisions are made considering factors that keep children close to their communities, schools, friends and loved ones. In 2008, the department put greater emphasis on licensing relative providers.

Children's Protective Services

Protects children by investigating reports of alleged abuse, neglect, or exploitation of children or vulnerable adults. Provides services to families to help them to function responsibly and independently in providing care for those for whom they are responsible.

Children's Trust Fund (CTF)

A statewide, non-profit organization dedicated to the prevention of child abuse and neglect. CTF focuses on public awareness and education, training and technical assistance, information dissemination, and funding a statewide network of community-based prevention programs. CTF does not receive a state appropriation and its work is funded through children's license plate sales, direct donations, trust income, grants, and other fundraising activities.

Michigan Community Service Commission (MCSC)

Provided vision and resources to strengthen communities through volunteerism in 2008. The MCSC provided more than \$5.8 million in federal and state funds to programs and activities using service as a strategy to meet critical community needs. Those needs included providing low-income housing, tutoring children, educating citizens about environmental issues, recruiting volunteers, and much more. The MCSC funded 19 AmeriCorps programs, 23 Learn and Serve

- Michigan programs, and 13 Volunteer Investment Grants. In FY 2008, those programs engaged over 56,000 individuals in volunteer service. Mentor Michigan, an initiative of the MCSC, supports more than 200 organizations around the state that are changing lives by matching mentors with young people by providing them training, research and building public awareness about mentoring. The MCSC also recognized outstanding volunteers through its annual signature event, the Governor's Service Awards.

Community Support Division (CSD)

CSD is responsible for family preservation and community support services. It operates as a resource to local offices and provides programs and funding for services that are targeted at keeping families together. Families First of Michigan, an intensive crisis intervention program, provides families with the support they need at a time when out-of-home placement of a child is imminent. The Family Reunification Program provides services to families to facilitate an early reunification from placement. Family Group Decision Making is a process where families develop their own plans for safety and sometimes placement via guardianship and receive ongoing support to implement the plan. CSD provides technical assistance and support as it relates to Child Protection and Permanency and Strong Families/Safe Children funds. Other local office contacts that CSD provides support for includes Families Together Building Solutions and Wraparound.

Disability Determination Service (DDS)

Determines the disability eligibility of adults and children who apply for benefits under the Social Security and Supplemental Security Income disability programs. Clients may also be referred by DDS to other agencies for job training, and health services. DDS also makes disability decisions for disability related programs, such as State Disability Assistance and Medicaid. Disability decisions are also made for the state retirement system.

Domestic and Sexual Violence Services

Provides grants to 44 nonprofit community-based agencies that assist victims of domestic violence and their children. These agencies cover Michigan's 83 counties and provide a 24-hour crisis line, emergency shelter, individual and group counseling, information about legal options, and supportive services for children. Many of the agencies also provide community education and prevention programs and information on batterers intervention programs available in the local community. Fullfills policy defined by Michigan Domestic Violence and Treatment Board.

Provides grants to 26 community-based programs that provide rape prevention and services. These agencies provide a 24-hour crisis line and crisis intervention services, individual and group counseling, and information on legal options.

Early Childhood Investment Corporation (ECIC)

The Early Childhood Investment Corporation (ECIC) was established to implement a statewide comprehensive early childhood development system in partnership with local communities. A public, non-profit corporation, ECIC works to assure the most efficient and effective use of federal, state, local, public and private funds for early childhood programs; builds local early childhood systems through 56 local Great Start Collaboratives; and focuses on innovative early childhood policy, public awareness and public will, and increasing resources to make Michigan's young children among the state's highest priorities.

SERVICE PROGRAMS (Cont'd)

Office of the Family Advocate (OFA)

Serves as DHS' liaison to the Office of Children's Ombudsman. OFA is responsible for providing an objective review and assessment of department practice, policy and law to identify areas that need to be enhanced, or where additional training might help DHS workers do a better job of protecting children.

HIV/AIDS Services

Provides advocacy services for people who test positive for HIV or AIDS including information, referrals and coordination of DHS services with community resources, case management and other government benefits. The Insurance Assistance Program or the Insurance Assistance Program Plus pays the private medical insurance premiums for those with HIV or AIDS who qualify.

Migrant Affairs

Coordinates, assesses, advocates, and develops services every year for Michigan's estimated 90,700 migrant and seasonal farm workers, their family members and dependents. Migrant Affairs enhances the delivery of services to migrant and seasonal farm workers and their families by facilitating statewide coordination through the DHS bilingual (seasonal and year-round) staff located in 24 counties, the Michigan Interagency Migrant Services Committee, and nine regional Migrant Resource Councils.

Native American Affairs

Native American Affairs provides services and resources to raise awareness of the socioeconomic plight of North American Indians through advocacy to enhance the well-being and preservation of North American Indian tribes, communities and families in Michigan. It delivers a broad range of services to Michigan's Native American population including but not limited to: policy and program development; resource coordination; advocacy; training and technical assistance; coordination of efforts to ensure implementation of applicable state and federal laws including the federal Indian Child Welfare Act pertaining to Native Americans; tribal consultation; Indian outreach services in 12 counties providing information and referral to health, education, employment, training, and housing opportunities; and partnerships between the Office of Native American Affairs and the 12 federally recognized tribes in Michigan, Michigan's state historic tribes, Indian organizations, federal government, and other community and state organizations. For more information visit the Native American Affairs Web site: <http://www.michigan.gov/americanindians>.

Refugee Services

Coordinates a variety of services to eligible refugees. Services include reception and placement, short-term cash and medical assistance, comprehensive employment services, foster care for unaccompanied minors, and initial health screenings.

Runaway and Homeless Youth Services Program

Provides services to runaway and homeless youths and, when appropriate, their families. Services are provided through contracts with private agencies.

Safe Delivery

Michigan's Safe Delivery of Newborns law encourages troubled parents to place their newborn children in a safe environment. This law allows an anonymous surrender of an infant, from birth to 72 hours of age, to an emergency service provider - a uniformed or otherwise identified employee of a fire department, hospital or police station that is inside the building and on duty or a paramedic or emergency medical technician responding to a 911 call. The parent has the choice to leave the infant without giving any identifying information. Following an examination at a hospital, temporary protective custody will be given to a private adoption agency for placement with an approved adoptive family, if the child is unharmed. If the examination reveals signs of abuse and/or neglect, hospital personnel will initiate a referral to Children's Protective Services for an investigation. A toll-free, 24-hour telephone line has been established to provide information on services available to a prospective parent. The toll-free number is: 1-866-733-7733.

Teen Parent Program

Provides comprehensive coordinated services to teen parents in 18 counties to assist in meeting the health and developmental needs of their children. Education, training and employment services are provided to enhance teen parents' capacity to independently provide for themselves and their children.

Volunteer Services

Based on the needs of the local DHS county offices, volunteers are recruited, trained, placed and supervised to provide direct and indirect services to DHS clients. Community resource coordinators develop community resources, obtain donations, raise non-traditional funds, and oversee a variety of volunteer programs.
