

# SAFE DELIVERY OF NEWBORNS SITE KIT ORDER FORM

## WHY DOES MY AGENCY NEED TO ORDER A SAFE DELIVERY KIT?

Under the Safe Delivery of Newborns legislation enacted in 2000 and amended in 2006, you, as either a fire department, police station, hospital, paramedic or emergency medical technician are designated as an emergency service provider\* (ESP). As such, you are mandated to accept any unwanted newborn brought to your facility within 72 hours of birth in a "safe, legal and anonymous manner." To date, there have been over 50 surrenders, BUT sadly there have been some potential Safe Delivery deaths as well.

For more information on Safe Delivery law and procedures, go to the Michigan Department of Human Services Web site at [www.michigan.gov/dhs](http://www.michigan.gov/dhs). For more information on obtaining Safe Delivery kits and/or signs, call the **Safe Delivery of Newborns Hotline 1-866-733-7733**.

*\* In response to the significant number of newborn infants being abandoned by their parents, the Michigan Legislature enacted Acts 232, 233, 234, and 235 in 2000, with an effective date of January 1, 2001. In 2006 PA 488 was enacted to amend the definition of an ESP effective in 2007. These acts affect ALL MICHIGAN FIRE DEPARTMENTS, POLICE STATIONS, HOSPITALS, PARAMEDICS AND EMERGENCY MEDICAL TECHNICIANS. They provide that a parent may surrender an infant to an emergency service provider which is defined as "...a uniformed or otherwise identified employee or contractor of a fire department, hospital, or police station when that individual is inside the premises and on duty. Emergency service provider includes a paramedic or an emergency medical technician when either of those individuals is responding to a 9-1-1 emergency call." This means that a parent (either parent) of a newborn can drop off an unwanted newborn at any hospital, fire department or police station or call 9-1-1 to safely, legally and anonymously surrender a newborn.*

Special thanks to **Zoot! Advertising Design** for the creation of the Safe Delivery logo and the Children's Trust Fund for supporting the initial development of the kits.
