Welcome to the State of Michigan Department of Health and Human Services (MDHHS)

We have programs to help you and/or your household (everyone living in your home) with food, child care, cash and emergencies. We can also tell you about other programs and resources that may help meet your needs. We look forward to helping you and/or your household.

If you need help with reading, writing, hearing, etc., please tell us. If you need an interpreter, we will provide one or you may bring your own.

Did you consume water from the Flint Water System and live, work or receive childcare or education at an address that was served by the Flint Water System from April 2014 through present day? If yes, you may wish to apply for health care coverage at www.michigan.gov/mibridges or request a DCH-1426, Application for Health Coverage & Help Paying Costs.

Steps to Assistance

1 - Apply online for assistance programs at www.michigan.gov/mibridges. You may bring, mail or fax your assistance application to the MDHHS office in your area. You can find the address and phone number to the office in your area in your phone book under the state government section, or online at www.michigan.gov/dhs-countyoffices.

2 - Read this booklet and keep it. It tells you about our programs and has important information. When you sign the assistance application, you agree to the rules in this booklet.

3 - Answer the questions on the assistance application. We need your answers to decide what help you may receive. You can apply for all or some of our programs.

4 - For some programs we may need to ask for more information (proof). We will let you know what we need.

5 - We will send you a letter in the mail telling you if you are approved or denied. Keep this letter. It has important information, including the name, phone number and email address of your MDHHS specialist.

You have the right to apply for help today. The date MDHHS receives your assistance application or filing form may affect the date your benefits start. Exception: If you are applying for Supplemental Security Income and food assistance benefits before being released from an institution, the filing date for your benefits will be the date you get out of the facility.

If you cannot finish the whole assistance application today, you may either complete the filing form (on pages 9 and 10 or online at www.michigan.gov/dhs-forms) or you may turn in your incomplete assistance application. It must have your: name, date of birth (not needed for food assistance), address (unless homeless), and signature or your representative’s signature (someone filing for you).

Before you can be approved for help, you must complete the assistance application.

If we need proof, we will send you a list of what we need.

For some programs, we MAY need proof of:

Programs

Food Assistance Program (FAP)

FAP provides benefits that can be used to buy food (including seeds and plants to grow your own food) for your household. People of all ages may receive FAP.

You may be eligible for FAP benefits if you have either:
- Low/no income.
- Low/no assets.

Income

FAP eligibility and benefit amounts are based on your household income and the number of people in your FAP group. When we look at your income, we make some deductions and consider allowable expenses (see below).

Deductions from countable income:
- 20 percent of earned income, and
- A standard deduction based on the number of people in your FAP group.

Allowable expenses:
- Medical expenses over $35 a month not paid by a third party (for persons age 60 or older, veteran with a disability or a person with a disability).
- Some housing and utility costs.
- Some child care costs and costs for care of persons with disabilities.
- Court-ordered child support paid to a non-household member.

Failure to report or verify any listed expenses will be seen as a statement by you that you do not want to receive a deduction for the unreported or unverified expenses. Verifications must be received within 10 days.

Tell us on your assistance application if you have received the Home Heating Credit or a Michigan Energy Assistance Program Payment in an amount greater than $20 in the month of application or within the past 12 months and your heat is included in your rent. If you do not tell us about the credit, we will assume you do not want to receive a deduction for heat expenses.

Program requirements:
- Follow Work Rules and Penalties - see page 12.
- Child Support Services - see page 7.
- Child Support Actions - see pages 11, 12.

Resident County Hospitalization (RCH)

RCH helps individuals with low income who cannot pay for medical care when they are in the hospital overnight.

You may be eligible for RCH if you:
- Have low income, and
- Are not eligible for Medicaid, and
- Do not have other insurance to pay for inpatient hospital care.

Each county sets its own financial eligibility rules.

For more information, contact the MDHHS office in your area.

Child Development and Care (CDC)

CDC helps pay for the cost of child care.

You may be eligible if you are:
- A family with low income.
- A licensed foster parent requesting care for foster children.
- A member of a MDHHS protective services case participating in a treatment plan.
- A FIP or Supplemental Security Income (SSI) recipient.
- A FIP applicant doing a required work participation program activity.

Read this information booklet before you sign the assistance application.
You must have a child care need at application because of:

- Work.
- High school completion classes (including General Educational Development (GED), adult basic education and English as a second language).
- Approved education or training.
- Approved treatment activities for a health or social condition.

The child care must be provided in Michigan by a:

- Licensed child care center.
- Licensed group child care home.
- Registered family child care home.
- Michigan Department of Education (MDE) enrolled unlicensed child care provider who has completed the Great Start to Quality Orientation and:
  - provides care in the child’s home, or
  - is related by blood, marriage or adoption as a grandparent/great-grandparent, aunt/great-aunt, uncle/great-uncle, or sibling and provides care in his/her own home.

To apply to be an unlicensed provider, complete the application at www.michigan.gov/childcare and follow the instructions listed on the application.

Enrollment is not allowed if the provider, or an adult household member age 18 and older living with the provider, is convicted of certain crimes or on the central registry for child abuse or neglect.

What does the department pay?

CDC Payment

The actual CDC payment amount may not cover all child care expenses. The department pays part of the cost of child care for approved families.

Current reimbursement rates and the income eligibility scale can be found at www.michigan.gov/childcare.

You are responsible for any child care costs not covered by the CDC program.

Program requirements:

- Child Support Services - see page 7.
- Child Support Actions - see pages 11, 12.

Resources:

- More information about the CDC program may be obtained online at www.michigan.gov/childcare.
- If you need help finding an eligible child care provider, contact your Great Start to Quality Resource Center at 877-614-7328 or visit www.greatstarttoquality.org.
Family Independence Program (FIP)
Refugee Cash Assistance (RCA)

The main goal of cash assistance programs is to help families become self-supporting and independent.

- **FIP** is temporary cash assistance for low-income families with minor children or pregnant women.
- **RCA** is temporary cash assistance for persons recently admitted into the U.S. as refugees or someone treated as a refugee.

**To qualify for FIP or RCA**, you must have:

- Low income, and
- Cash assets less than $3,000 and property assets less than $200,000.

**You may be eligible for FIP** if you are not receiving cash benefits from another state and you are either:

- Pregnant.
- A parent, legal guardian, or relative acting as a parent for a child under the age of 18 (or a high school student age 18). Children ages 6-18 must attend school full time.

**FIP time limit:**
You cannot receive FIP for more than the federal 60-month time limit or the state’s 48-month lifetime limit unless you qualify for an exception or exemption month. This includes any cash assistance you may have received in another state.

It is prohibited to use FIP or RCA to purchase lottery tickets, alcohol, tobacco, or for gambling, illegal activities, massage parlors, spas, tattoo shops, bail-bond activities, adult entertainment, cruise ships or other nonessential items.

**You may be eligible for RCA** if you are:

- A refugee (or someone treated as a refugee) as determined by the United States Citizenship and Immigration Services (USCIS).
- Within eight months of date of entry to the U.S., and
- Not eligible for FIP.

**The FIP or RCA grant amount** is based on:

- Number of people in your household group.
- Court-ordered child support expenses paid by your household.
- Total income.

**Child support payments.** Each month you are on FIP, current support we collect on your order is kept by the state. If you get support in a month when you are getting FIP, you must report it to your local MDHHS office, and you may need to repay it. If the support we collect is more than your FIP grant for at least two months, we may close your FIP case so you can get the child support payments directly.

**Program requirements:**

- **Follow Work Rules and Penalties** - see pages 12, 13, 14.
- **Child Support Services** - see page 7.
- **Child Support Actions** - see pages 11, 12.
- **Immunize Children Under Age 6 - Get Shots (FIP)** - see page 11.

Child Support Services

FAP, CDC, and Cash Assistance:
The Office of Child Support (OCS) is part of MDHHS and is responsible for the child support program in Michigan. OCS works with the prosecuting attorney (PA), friend of the court (FOC) and agencies in other states.

The goal of OCS is to ensure that children are supported by their parents. Child support may include:
• Cash for everyday living.
• Health and/or educational benefits.
• Payment for child care costs.

Child support services can help:
• Locate a child’s parent(s).
• Establish a child’s legal father by:
  - Voluntary paternity papers.
  - Court action for paternity.
• Establish and enforce a court order to support the child’s financial and medical needs.

You must cooperate with child support services if:

• You receive child care services, food or cash assistance from MDHHS.

OCS will send a letter asking you to complete an online form or to call OCS. Follow the directions in the letter.

Child Support for Non-Assistance Families:
You do not have to receive assistance from MDHHS to apply for child support services.

To apply for services, complete the IV-D Child Support Services Application/Referral (DHS-1201) by:
• Applying online at www.michigan.gov/michildsupport;
• Printing a DHS-1201 from the MDHHS public website at www.michigan.gov/dhs-forms.

Things You Must Do (continued)

Repay Extra Benefits (All Programs)

If you or anyone in your household receives benefits they are not eligible for, the adults in the household must repay the extra benefits. The benefits must be repaid even if there was no fraud. If MDHHS makes an error, the adults in the household must repay the extra benefits.

For FAP, an authorized representative (someone with access to your food benefits who can shop for you) may also be responsible for repayment of any extra FAP benefits.

Recoupment. MDHHS may keep part of your future benefits as repayment for extra benefits you received.

 Trafficking. FAP benefits that are sold or traded are treated as extra benefits and must be repaid.

Release of information. If you or anyone in your household received extra benefits, the information on your assistance application, including Social Security numbers, may be given to federal, state and private agencies to help with collection.

*Provide Social Security Numbers (Most Programs)

For most programs, under federal law 42 USC 1320b-7, you must provide Social Security numbers for everyone applying. Exceptions include:

- When applying for child care only, you do not have to provide a Social Security number for adults or children who do not need child care.
- When applying for FAP, you do not have to provide a social security number for anyone not applying.
- FAP clients are excused from providing and obtaining a Social Security number based on religious grounds.

MDHHS will help you apply for Social Security numbers. Give MDHHS the Social Security number as soon as you receive it. If you do not, your benefits may be reduced or denied. You may have to repay an overpayment. MDHHS will use Social Security numbers to check information with other agencies. (See "Information About Your Household That Will Be Shared.")

Pursue Other Benefits (Most Programs)

You must apply for other benefits you may qualify for, such as:

- Unemployment benefits.
- Social Security and Supplemental Security Income (SSI) benefits.
- Veterans Administration benefits.

MDHHS will tell you if you need to apply for benefits.

If you do not pursue benefits when required, your MDHHS benefits may be reduced, closed or denied.

Immunize Children Under Age 6 - Get Shots (FIP)

Children under age 6 must be immunized as recommended by the Michigan Department of Health and Human Services.

Your cash benefits may be reduced by $25 per month until your children are up-to-date on their immunizations.

A child is exempt from the immunization requirement if:

- (S)he is under two months of age.
- Immunizations are medically inappropriate for the child.
- Immunizations are against the family’s religious beliefs.

You will receive a letter about the child support program if:

- You receive FIP, FAP or CDC; and
- You receive FIP, FAP or CDC; and
- One or more of the child’s parents do not live with the child.

Read and follow the directions in the letter. You will need to provide more information about yourself, the minor child(ren) in your home and the parents of the minor child(ren). The letter will tell you to complete an online form or to call OCS.

While you receive benefits from FIP, FAP or CDC, you must keep working with the Office of Child Support, the prosecuting attorney, and friend of the court to pursu child(ren) paternity and/or support.

Good cause. MDHHS will not require you to pursue paternity or support if you have good cause.

To claim good cause, speak to your MDHHS specialist and ask for the “Claim of Good Cause” (DHS-2168) form. You may be asked to provide proof.

If you do not cooperate with child support actions when required, and do not have a good cause reason, MDHHS will do all of the following for at least one month:

- Remove the food assistance benefits of the person not cooperating.
- Deny or stop your child care benefits.
- Deny or stop cash assistance for your entire household.

Things You Must Do (continued)

Child Support Actions (Most Programs) (continued)

When you get a FIP grant, you give (assign) to MDHHS any current support for you (spousal support) or minor children in your home (child support). This means when you get FIP, some of the spousal or child support you get from someone else may go to MDHHS to pay back some of the FIP grant.

You may get a child support payment that is owed to you while on FIP. If you do get a child support payment, call your local MDHHS office to find out if you can keep it. If your MDHHS specialist tells you the payment was sent to you in error, you must return the money. If you do not return the money, you may lose your FIP grant or your grant may be reduced.

If the amount of support MDHHS collects is more than your FIP grant for at least two months, MDHHS may close your FIP case so you can receive support payments directly.

Follow Work Rules and Penalties (FIP or RCA and FAP)

Your work rules will depend on whether you receive FIP or RCA cash assistance, FAP benefits with no cash assistance, or time-limited FAP benefits.

FIP or RCA cash assistance work rules.
Your family must complete a Family Automated Screening Tool (FAST) and develop a Family Self-Sufficiency Plan (FSSP). The FAST and FSSP requirements are for FIP only. The FSSP will list the work activities that you must do up to 40 hours per week to receive FIP. You design this plan with your MDHHS specialist and the work participation program. For RCA only, you must develop a Refugee Family Self-Sufficiency Plan (RFSSP).

- Complete the FAST (FIP only).
- Help make and comply with a FSSP (FIP only) or RFSSP (RCA only).
- Not quit, refuse work or reduce work hours.
- Not get fired from a job due to misconduct or missing work.
- Comply with assigned employment and/or self-sufficiency activities.

Penalties for breaking FIP or RCA work rules. If you break the FIP or RCA work rules without good cause (see “Good Cause” on page 13), MDHHS will:

- Deny your application (you may reapply).
- Stop FIP for your whole family for three months for the first time, six months for the second time and permanently for the third time.
- Count all penalty months toward your state 48-month lifetime limit (FIP only).
- Stop RCA for you for at least three months (but the rest of your household might be eligible).
- If you receive both FIP and FAP, we may:
  - Stop or reduce your FAP benefits for at least one month if you are not excused from FAP work rules.

FAP work rules. All group members not meeting deferral criteria will be registered for work and may be required to perform specific work including cooperation with employment and training activities. (NOTE: If you receive both cash and food benefits, you must follow FIP work rules.)

- If you are working, you may not:
  - Quit a job of 30 hours or more per week.
  - Voluntarily reduce work hours below 30 hours per week without good cause.

- If you are not working, or you work less than 30 hours per week, you may not:
  - Refuse a job offer.
  - Refuse to participate in required employment-related activities that must be done to receive FAP.

Penalties for breaking FAP work rules. If you receive FAP and you break the work rules without good cause, your benefits will stop or be reduced for:

- At least one month for the first time, and
- Six months for any other time after the first time.

Time-limited food assistance rules. (NOTE: Time limits are not always in effect, so check with your MDHHS specialist.)

Special time limits and work requirements might apply to you if you are:

- A person without a disability,
- At least 18 years old but under the age of 50; and
- Living in a household with no children under age 18 (related or unrelated).

Read this information booklet before you sign the assistance application.
Things You Must Do (continued)

If You Think We Discriminate

This institution is prohibited from discriminating on the basis of race, color, national origin, disability, age, sex and in some cases religion or political beliefs.

The U.S. Department of Agriculture also prohibits discrimination based on race, color, national origin, sex, religious creed, disability, age, political beliefs or reprisal or retaliation for prior civil rights activity in any program or activity conducted or funded by USDA.

Persons with disabilities who require alternative means of communication for program information (e.g. Braille, large print, audiotape, American Sign Language, etc.), should contact the Agency (State or local) where they applied for benefits. Individuals who are deaf, hard of hearing or have speech disabilities may contact USDA through the Federal Relay Service at 800-877-8339. Attach a copy of the court’s order if the person is court-appointed to help you. The Michigan Administrative Hearing System will deny the request for an administrative hearing made by the representative if you do not provide proof of authorization.

If you do not tell us about a disability now, you can tell us about it later.

**Citizens and Non-Citizens/Social Security Numbers

Social Security numbers and immigration papers are NOT required for a person who is:

- Not applying for help.
- Only applying for child care. (You must give a Social Security number for the child and the child must be a U.S. citizen or show immigration papers.)

Other eligible members of your household will still be able to receive help.
You may have to provide information about income and assets of all persons in your household, even if they are not applying.

Receiving food or emergency assistance will not affect your immigration status. If you are here illegally, it may affect your ability to stay in the U.S.
For some programs, persons claiming U.S. citizenship must provide proof of citizenship and identity. Acceptable proof of citizenship includes, but is not limited to, a U.S. passport, a certificate of naturalization, or a U.S. public birth record showing birth in the U.S. or U.S. territories.

Persons receiving SSI, Social Security, Medicare, or adoption assistance, foster children and newborn “safe delivery,” babies are not required to provide proof of U.S. citizenship for MDHHS programs.

Race and Ethnicity

Answering questions about race and ethnicity is voluntary. If you do not answer these questions, your eligibility or benefit levels will not be affected.*

The information is collected to ensure that program benefits are distributed without regard to race, color or national origin.

* If you choose not to answer these questions, your MDHHS specialist may choose an answer for you.

Domestic Violence

We may be able to waive some program requirements (such as working, looking for a job, pursuing child support or going to school) if participating would:

- Put you or a family member in danger of physical or emotional harm.
- Subject you to sexual abuse.
- Otherwise be unfair to you.

You are authorized to receive domestic violence comprehensive services. Contact the MDHHS office in your area or your MDHHS specialist for more information or to access these services.
