Dear Senator Caswell and Representative MacGregor:

Section 275(2) of 2013 Public Act 59 requires the Department of Human Services (DHS) to provide information on administrative savings achieved through changes in staffing as required under Section 275(1). Please see the attached information indicating the cumulative number of positions impacted for the entire fiscal year. The department has estimated a total cumulative savings of \$7.1 million gross, \$3.5 million general fund. As required under section 275(3) of 2013 Public Act 59, the department submitted a request to transfer the savings to the identified budgetary line item. The request was approved by the House and Senate Appropriations Committees and has been entered into the state's accounting system as part of the department's year-end accounting.

If you have any questions, please contact Amanda Bright McClanahan, budget director, at 517-241-9056.

Sincerely,

Susan Kangas,
Chief Financial Officer
