Dear Senator Caswell and Representative MacGregor:

Section 275(2) of 2014 Public Act 252 requires the Department of Human Services (DHS) to provide information on administrative savings achieved through changes in staffing as required under Section 275(1). Please see the attached information indicating those positions abolished or held vacant in the most recent reporting period in addition to the cumulative number of positions impacted year to date. The department continues to finalize its administrative savings plan and will provide anticipated savings estimates once that plan is complete.

Sincerely,
