

Federal, state agents raid another Grand Rapids market

GRAND RAPIDS (WZZM) -- State and federal agents raided another Grand Rapids business for the second time in as many days.

The Wednesday morning raid happened at the Middle Eastern Market, near the corner of Eastern Ave. and Alger St. SE.

The Michigan Department of Human Services is investigating the business for Bridge card fraud.

That's the same crime that brought agents to the Marathon Station at Burton and Kalamazoo yesterday.
