Bulletin 2016-14 -INS

In the matter of

Annual CPI Adjustment of the Surplus Lines Licensee fee for costs

Issued and entered
this 31st day of May 2016
by Patrick M. McPharlin, Director

This bulletin supersedes Bulletin 2015-12-INS, dated June 15, 2015.

The Legislature amended section 1915 of the Insurance Code of 1956, MCL 500.1915, effective January 5, 2007, providing in part as follows:

(1) A licensee may not charge, in addition to the premium charged by an unauthorized insurer, a fee to cover the costs incurred in the placement of the indemnity which exceeds \$50.00, unless all of the following conditions are met:

(a) The fee in excess of \$50.00 is filed with the commissioner and not disapproved by the commissioner within 30 days of the date it is filed with the commissioner.

(b) The fee exceeds \$50.00 only to the extent that the actual additional costs incurred for services performed by persons or entities unrelated to the licensee exceed that amount.

(2) A fee charged pursuant to subsection (1) shall not be excessive or discriminatory. The licensee shall maintain complete documentation of all fees charged pursuant to subsection (1)(b). Those fees shall not be included as a part of the policy premium in the computation of premium taxes.

Section 1915 also requires the Director to annually adjust the \$50.00 fee to reflect the percentage of change in the consumer price index (CPI) for all urban consumers in the United States city average for all items, as most recently reported by the United States department of labor, bureau of labor statistics.

By issuing this bulletin, the Director certifies that he has performed the CPI adjustment required by Section 1915. Effective June 1, 2016 through May 31, 2017, the maximum fee a surplus lines licensee may charge for costs, without application as quoted above, is \$60.00. This fee reflects the annual percentage change from May 1, 2015, to the most recently reported CPI, April 30, 2016.
