SUBJECT: Withdrawal of Bulletins

The Office of Financial and Insurance Regulation (OFIR) periodically issues bulletins to provide information and guidance to the public and to entities regulated by OFIR. Bulletins are only advisory in nature and do not have the force and effect of law.

OFIR has reviewed its bulletins and determined that some bulletins are obsolete or are no longer relevant. Consequently, these bulletins are withdrawn as of this date:

Bulletin No. 84 – 13 “Applications for Certificate of Authority to Operate as a Third Party Administrator and Administrative Services Manager License in the State of Michigan”

This bulletin was superseded by Bulletin 2010-09, which provides information about the application requirements for third party administrators. The application included with the bulletin is no longer used.

Bulletin No. 89 – 05 “Notices of Appointment”

The purpose of this bulletin was to establish the effective date of an agent’s appointment at a time when all notices of appointments were submitted on paper through the mail. However, agent appointments are now completed by the insurer electronically through the NAIC/NIPR web portal and the insurer enters the actual date of the appointment when making the appointment.

Bulletin No. 89 – 08 “License Status”

This bulletin says that an agent must maintain an active appointment with an insurer in order to maintain an active license. However, under a 2001 amendment to the Insurance Code, an active appointment is no longer required for an agent to maintain a license.

LARA is an equal opportunity employer / program.

Auxiliary aids, services and other reasonable accommodations are available upon request to individuals with disabilities.

“State of Michigan Insurance Licensing and Examination
Candidate Handbook”

The bulletin announced the availability of an insurance licensing handbook with information about examinations and continuing education. That information is now available on the OFIR website and the handbook is no longer produced.
