

Making IT Happen!

A shared vision

- ◆ Welcome!
- ◆ Our focus: the BIG picture
 - MDIT's vision and strategic plan
 - Possibilities, challenges and opportunities
 - Lynn Draschil and Eric Swanson
 - Your role... owning the vision!

And that vision starts with our Governor

Our Strategic Alignment

Bridging priorities and focus

The Governor's priorities...

- ◆ A job for every worker
- ◆ Education for every child / training for every worker
- ◆ Health care
- ◆ Safe places to live and work for all of us
- ◆ Better government

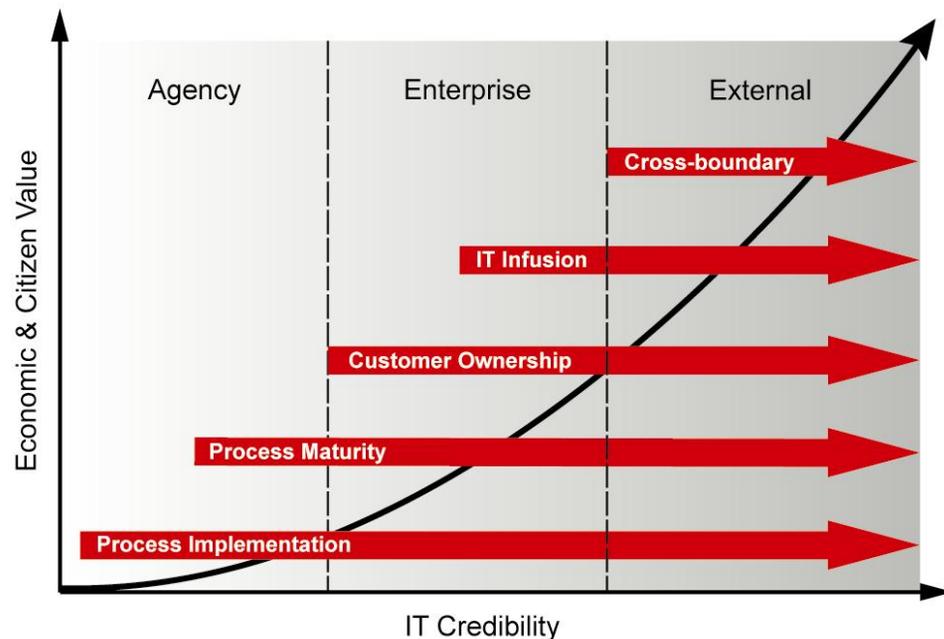

***Every IT solution is fundamental to building
our foundation for tomorrow***

The Road Ahead

From data to information....

- ◆ Business sponsorship
- ◆ Active engagement
- ◆ Moving from order fulfillment to transformational IT

And from here, we put power in the hands of users

Tomorrow's Direction

From information to services

- ◆ Empower end users
- ◆ Drive decision making
- ◆ Provide user-friendly tools

Lynn Draschil is here to present the role of the Data Warehouse in building this future
