

Applying to the Michigan Natural Resources Trust Fund: The Criteria and Resources for Your Projects

October 15, 2009
SEMGOG offices
535 Griswold, Suite 300
Detroit, MI

Workshop Purpose

The purpose of the workshop is to provide an overview of the updated criteria for selecting projects under the Michigan Natural Resources Trust Fund recreation grant program (including a new emphasis on urban areas) and provide information on resources available to assist in developing an application.
