

ERRATA SHEET

State Energy Program Clean Energy Advanced Manufacturing Request for Proposal April 22, 2010 – May 14, 2010

- Page 51; Attachment 5: Budget Instructions

Deleted: May 11, 2010

Grant funds are restricted to the purchase of equipment and contractual services. Equipment is defined as non-expendable personal property having a useful life of more than one year and a real cost of \$1,000 or more.

Grant funds may not be used for personnel salaries/wages and fringe benefits, supplies and materials, travel, other direct costs (excluding equipment and contractual services), or indirect costs, however, these costs are allowable as applicant match.

Correction: May 11, 2010

Grant funds allocated towards the purchase of equipment, supplies and materials and contractual services are preferable. Equipment is defined as non-expendable personal property having a useful life of more than one year and a real cost of \$1,000 or more. Grant funds can also be used for personnel salaries/wages and fringe benefits, but may not exceed 10% of the total grant funds requested.

Travel, other direct costs (excluding equipment and contractual services), and indirect costs (indirect cost not to exceed 20% of total project cost) may only be used as applicant match.

Copyrighted Materials

The selected applicants shall agree to grant to the State a nonexclusive, irrevocable license to reproduce, translate, publish, use, and dispose of all material developed as a result of this project. The selected applicants shall further agree not to copyright any material developed as a result of the project.

Correction: May 11, 2010

Intellectual Property

Unless otherwise required by law, all intellectual property developed using funds from this Agreement, including copyright, patent, trademark, and trade secret, shall belong to the Grantee.
