

Experimental Renewable Energy Exchange (EX-REX)

Membership Application

EX-REX is operated by the Energy Office to provide a means for owners of small solar and wind electric systems to sell Renewable Energy Certificates (RECs). The Energy Office provides this service at no charge, but only for solar or wind energy systems 1-100 kW in size located in Michigan. Systems under 1 kW or over 100 kW are not eligible.

Applicant Information:

Name of Owner: _____

Address: _____

City, ZIP: _____

Phone: _____

System Information

Type of System: Solar _____ Wind _____

Date Installed: _____

Name of Installer: _____

Size of System (kW): _____

Manufacturer & Model: _____

Note: Attach either a copy of your utility interconnection agreement or a copy of your building permit.

Data Collection

Plan to use PVWatts software. Yes _____ No _____

Plan to use metered data. Yes _____ No _____

Type of meter: _____

Manufacturer & Model: _____

I have read and understand the information that describes the Experimental Renewable Energy Exchange program on the Energy Office web site. I understand that all information provided to the Energy Office will be public information. I have attached a copy of my utility interconnection agreement or building permit. I apply to participate in the EX-REX program.
