Page 5, Part 1.7 Eligible Projects

(CORRECTION) 8-18-09

(Note) – This line should read:

Eligible projects must involve an activity and or installation or deployment of a commercially available and proven technology listed below at buildings, facilities, and properties owned and operated by the state of Michigan. Impacted buildings or facilities must be currently occupied and have long range plans of continued use. Excluded are *publicly-owned*: schools, healthcare facilities, and higher education buildings and properties. Priority will be given to projects that do not generate toxic or hazardous substances or pose additional risks to human health and the environment.
