House Bill 5468 (As Introduced)

Topic: Electronic Signatures on Court Orders or Judgments
Sponsor: Representative Haveman
Co-sponsors: Representatives Stanley, Crawford, Hansen, Lund, Bolger, Walsh, and Meekhof
Committee: House Judiciary

Date Introduced: September 25, 2009

Date of Summary: October 7, 2009

The bill amends Section 7 of the Uniform Electronic Transactions Act by providing that a court judgment or order may not be denied legal effect or enforceability solely because an electronic record was used in its formation or an electronic signature was placed on the judgment or order.

DELEG is an equal opportunity employer/program.
Auxiliary aids, services and other reasonable accommodations are available upon request to individuals with disabilities.
