**Re: *Ken Ross, Commissioner of the Office of Financial and Insurance Regulation v  
American Community Mutual Insurance Company***  
**Case No. 10-397-CR**

Dear Clerk of the Court:

Enclosed for filing in the above-referenced case involving the ongoing rehabilitation of American Community Mutual Insurance Company ("American Community") are originals and Judge's Copies of the following documents:

- 1) American Community's Quarterly Statement for the period ending June 30, 2010; and
- 2) American Community's Quarterly Statement for the period ending September 30, 2010.

A copy of American Community's Quarterly Statement for the period ending March 31, 2010 was previously filed with the Court, on or around June 16, 2010.

Paragraph 29 of the Stipulated Order placing American Community into rehabilitation and providing other relief (the "Rehabilitation Order"), which the Court entered on April 8, 2010, provides that "the Rehabilitator and Special Deputy Rehabilitators shall make an accounting to the Court of American Community's financial condition and progress towards rehabilitation on or before October 15, 2010." Paragraph 29 also requires similar accountings to the Court for each succeeding six-month period after October 15, 2010 during which American Community remains in rehabilitation.

It is the Rehabilitator and Special Deputy Rehabilitators' position that the March 31, 2010 Quarterly Statement filed with the Court on June 16, 2010, together with the enclosed Quarterly Statements, fulfill the accounting obligations set forth in Paragraph 29 of the Rehabilitation Order. If Judge Collette disagrees, the Rehabilitator and Special Deputy Rehabilitators will

provide any additional information regarding the company's financial condition and/or the progress of the rehabilitation upon the Court's request. In addition, the Deputy Rehabilitators and their counsel are available at the Court's convenience to meet or to participate in a conference call to discuss these issues further.

Thank you for your assistance.

Sincerely,
