MICHIGAN ASIAN PACIFIC AMERICAN AFFAIRS COMMISSION URGES SUPPORT FOR THE FLOOD VICTIMS IN PAKISTAN AND CHINA

The Michigan Asian Pacific American Affairs Commission (MAPAAC) urges that Michiganders lend a helping hand to the people affected by the monsoon floods ravaging Pakistan and China.

The floods are among the most devastating natural disasters. As reported by the United Nations, the loss from floods exceeds the damage from the 2005 Pakistan earthquake, and the 2010 Haiti earthquake.

Aid is coming in slowly. Please contact the following relief organizations for information on how to help:

American Red Cross 800-RED CROSS (800) 733-2767

Care (800) 422-7385

Doctors Without Borders (Medecins Sans Frontieres) (888) 392-0392

Oxfam America (800) 77-OXFAM (900) 776-0326

Save the Children (800) 728-3843

UNICEF (800) FOR KIDS, (800) 367-5437

Best regards,

Sook Wilkinson, Chair
Michigan Asian Pacific American Affairs Commission
