Dear :

A number of Michigan banks are using trade names (hereafter "trade names") other than their legal corporate names in connection with some of their branch offices. I would appreciate your providing this agency with any trade names that are used by your bank's offices and the addresses associated with those trade names. This will assist us in helping members of the public determine whether a differently named business office is associated with a lawfully chartered Michigan state bank.

Please provide the requested information by November 30, 2006 to Deputy Commissioner Peggy Bryson. It can be e-mailed to her at pbryso@michigan.gov or sent to the address below. Questions regarding this request may also be directed to Ms. Bryson. To assist us in keeping our records up to date, in the future please inform us promptly when your bank adopts a new trade name or discontinues use of a trade name.

Thank you for your assistance.

Sincerely,

/ss/

Linda A. Watters
Commissioner
