**Agenda Item #1—Call to Order**

The August 11, 2009 MIOSHA CS Part 10 Lifting and Digging Equipment Advisory Committee meeting was called to order by Co-Chair John O'Donnell.

**Agenda Item #2—Approval of Minutes from July 16 Meeting**

A motion was made by Connie Munsch and seconded by Tim LaLonde to approve the minutes of the July 16, 2009 advisory committee meeting. **MOTION CARRIED UNANIMOUSLY.**

**Agenda Item #3—Review Draft #10 Dated July 16, 2009**

The committee reviewed the entire Draft #10 and made additional changes as noted in Draft #11.

**Agenda Item #4— Discuss Rule 1008b(3) Certification by an accredited crane/derrick operator testing organization**

The committee discussed Rule 1008b(3) and decided that only minor changes were necessary as noted in Draft #11.

The final draft (Draft #11, Dated August 11, 2009) will be distributed to each committee member, and each member will respond back to the Standards Section on whether they approve or disapprove of it.

If consensus cannot be reached on the final draft and another committee meeting is necessary, it is scheduled for Thursday, September 10, 2009 beginning at 9 a.m. and will be held at the Operating Engineers Local 324, 275 East Highland Road in Howell.

If consensus is reached on the final draft, it will then be presented to the Construction Safety Standards Commission at their next meeting. That meeting is scheduled for September 23 at the Operating Engineers Local 324, 275 E. Highland Road in Howell with a start time of 9:30 a.m.

**Agenda Item #5—Adjournment**

With no further business before the advisory committee, the meeting was adjourned.
