Auxiliary aids, services and other reasonable accommodations are available upon request to individuals with disabilities.

Agenda Item #1. Call to Order, Welcome, Introductions and Roll Call

Dena Hendon, Standards Analyst

The October 11, 2010 GI Part 33 Personal Protect Equipment advisory committee meeting was called to order by Standards Analyst Dena Hendon. She welcomed everyone to the meeting and everyone introduced themselves. A roll call was taken and a quorum of advisory committee members was present.

Agenda Item #2. Commissions Instructions for Advisory Committees

Douglas Kalinowski, MIOSHA Director

Mr. Kalinowski stated that MIOSHA recommended to the General Industry Safety Standards Commission and the other 2 Commissions to amend the 3 Personal Protective Equipment standards to be consistent, improve clarity, update to most current ANSI standards and look at a couple of specific rules for improvement. It is possible for all 3 rules to apply to 1 person in 1 day. All three Commissions directed MIOSHA to set up advisory committees to review the rules with this intention.

Agenda Item #3 Advisory Committee Standards Promulgation Pilot Project

Dena Hendon, Standards Analyst

Dena explained that MIOSHA is initiating a new Standards Promulgation Pilot Project and the 3 PPE committees will be the project advisory committees. With the intention of assisting the advisory committees, MIOSHA staff have already done a comparison of the 3 PPE standards and have suggested language prepared for review. MIOSHA wants to make it very clear that the advisory committees are not to just approve this language but it is a starting point for discussion.

Agenda Item #4 Binders and Logistics

Debbie Merryfield, Standards Analyst

Debbie reviewed the following:

- a. Act 154 Michigan Occupational Safety and Health Act
- b. Guidelines for Advisory Committee Function
- c. Code of Conduct
- d. Conflict of Interest Policy
- e. Travel Expense Vouchers
- f. Rule Promulgation Process

Also reviewed were the MIOSHA Standards staff and advisory committee member contact information and 2010 and 2011 meeting dates.

Debbie explained that the advisory committee members will elect co-chairpersons at the next meeting

Agenda Item #5 Begin Review of CS Part 6 Personal Protect Equipment

Dena began the review of the comparison of GI-33 to CS-6 and OH-433 and Draft #1 of GI-33 with suggested language changes.

Began rule review with R 408.13308 Hazard Assessment and Equipment Selection.
