Instructions for Application for Modification to Premanufactured Unit

Manufacturer: Multiple plants may be listed. Provide manufacturer name and compliance assurance (C.A.) number for each plant. The information provided must match the information on file.

Design Data: Provide all requested information. The building use, construction type and number of occupants shall be as prescribed by the building code.

Plan Review Request: Mark all plan reviews desired or required.

Project Architect / Engineer: Provide all requested information.

Applicant: Provide all requested information with an original signature. All correspondence, except approval, will be sent to this address, and this entity will be responsible for all fees.

Required Submittals for Plan Review

For each model, submit completed application, the appropriate fee made payable to the **State of Michigan** and three (3) sets of plans and/or specifications with **original seals and signatures** in accordance with 1980 PA 299. Also, modifications require one (1) copy of the original approved floor plan bearing the Construction Code Commission approval stamp and one (1) copy of the original Building Systems Approval Report to compare the modification requested to the original model. The first \$100.00 of an application is non-refundable.

Upon Receipt of All Applications

Written confirmation will be sent to the applicant. Further correspondence, concerning the requested plan reviews, will be sent to the applicant and the inspection agency. A copy of the Building Systems Approval Report(s) and two (2) sets of approved plans will be shipped to the primary manufacturer for appropriate distribution to any additional listed plants and inspection agency(ies).
