# Michigan Asbestos Symposium for Trainers/Contractors

## 1 Who Should Attend . . .

This symposium will address asbestos related enforcement concerns and other issues of general interest.

- ▶ Asbestos Training Providers and Asbestos Abatement Contractors concerned with the interpretation of asbestos rules and regulations.
- ▶ Renovation and Demolition contractors concerned about asbestos as it relates to NESHAP and MIOSHA.

## 2 Why Attend This Symposium . . .

This symposium will focus on MIOSHA Asbestos Program updates, activities, and concerns; Asbestos NESHAP Program updates, activities, and concerns; and renovation and demolition regulations. If you are involved in any of these activities, then you will not want to miss this symposium.

## 3 What You'll Learn . . .

This symposium will provide current information to Asbestos Training Providers, Asbestos Abatement Contractors, and Renovation/Demolition Contractors in regard to inspections, interpretation, and enforcement of regulations. You will meet key individuals involved in the training and enforcement of asbestos regulations. There will be break-out sessions for those who wish to develop adequate Respirator or Hazard Communication Programs. There will also be an open question and answer session.

### Topics

- ▶ Asbestos Education; Credit Cards/E-Checks
- ▶ NESHAP Issues
  - ▶ Understanding the asbestos NESHAP regulations
  - ▶ Updated Notification Form
  - ▶ EPA's approach to the demolition of single family dwellings
- ▶ Training/Licensing/Accreditation Issues
- ▶ Notification Issues
- ▶ Demolition/Renovation Issues
- ▶ Investigation Procedures; Acceptable Work Practices
- ▶ Breakout session
  - ▶ Respiratory Program
  - ▶ Hazard Communication Program
