POLICY 0110 Facilities

Issued: January 1, 1994

Reviewed: December 9, 2011

Facilities

Executive Branch Departments and Sub-units shall comply with applicable statutory and regulatory requirements concerning: (a) the acquisition, construction, improvement or demolition of facilities; (b) studies, designs, plans, specifications and contract documents; (c) employment and duties of architects and professional engineers and resident inspectors; (d) quality control; and (e) independent testing services.

Public Act 431 of 1984, as amended, § 237.
