

## 1710.17 State-Owned Mineral Rights

Issued: January 1, 1994  
Revised: February 28, 2012

### PURPOSE

---

To provide proper control for removal of and compensation for state-owned mineral rights.

### APPLICATION

---

Executive Branch Departments and Sub-units.

### CONTACT AGENCY

---

Department of Natural Resources (DNR)  
Minerals Management Section

Telephone: 517-335-3251

Fax: 517-373-2443

### SUMMARY

---

If approached by an individual or mineral industry representative to remove, explore for, or develop minerals on lands you occupy or manage, contact the DNR. Only the DNR is authorized to enter into leases, permits, or agreements for removal of state-owned minerals.

### APPLICABLE FORMS

---

PR-4305 Oil and Gas Lease

PR-4340 Metallic Mineral Lease

PR-4331 Nonmetallic Mineral Lease

PR-4350 Underground Gas Storage Lease

### PROCEDURES

---

To coordinate a lease/agreement for exploration and development of minerals, contact agency.
