Underground Heating Oil Storage Tank Decommissioning and Removal
Brighton Area Schools
Maltby Middle School
4740 Bauer Road
Brighton, Michigan 48116

Sealed bids will be received by Brighton Area Schools until 2:00 PM, at the BECC Building 125 S. Church St., Brighton, Michigan 48116, June 26, 2007 and then publicly opened, for work as described herein. Any late bids will not be opened. The tank in question is constructed of fiberglass, approximately 19,000 gallons in volume, approximately 11' in diameter and 36 feet in length. The tank previously serviced the schools boiler system but is proposed to be removed from service. The scope of work to be bid upon will include characterization, containerization and disposal of tank contents, disconnection of plumbing and utilities, rendering the tank inert, removing residual materials from the tank, removing the tank from the ground (including all plumbing lines), disposing of the UST and associated wastes, potentially containerizing/disposing of a limited amount of impacted soil (25 tons) and groundwater (500 gallons), backfilling the excavation and reseeding the excavated area. The scope of work must be completed during the school off season (July 17, 2007 through August 17, 2007). Contractors will be expected to work with Brighton Area School's environmental consultant to facilitate environmental closure testing and sampling. **A Mandatory pre-bid meeting will be held at the location of the tank on June 19, 2007 at 10:00 am at Maltby Middle School, 4740 Bauer Rd. Brighton, Mi. 48116.** Bid specifications and supplemental information can be obtained by contacting Mr. Bill Blanchard, Director of Operations, Brighton Area Schools, 7775 Don Leith Drive, Brighton, Michigan 48116-1799, (810) 299-4121 (phone), (810) 299-4124 (facsimile). **Brighton Areas Schools reserves the right to accept and/or reject any or all bids or portions thereof that Brighton Area Schools deems to be in the best interest of the district. This is a prevailing wage project.**
