Accessibility Information: A ramp is available to get to the top of the plaza at the corner of Allegan and Walnut. It is more than a block's walk (closer to two) from most parking places listed here to the Mason Building entrance. Because of security concerns, visitors needing closer handicapped parking space in the garage under the Mason Building must notify Real Estate of this need a minimum of 24 hours (preferably 48 hours) in advance. Please contact the person who scheduled your visit to make those arrangements for you or call our receptionist at (517) 335-6877. Real Estate Division staff will then meet you at the parking garage entrance to get you through to security.
