

RFP NOTIFICATION – Grass Lake Community Schools Middle School LAN Wiring Project

INTENT

This project is intended to provide the materials and services to be used to construct a Certified Category 6 Data and Voice structured cable plant, Category 3 Voice Backbones, 50/125um 10Gig @300 meters Indoor Fiber Optics Backbone, 500/RG11/RG6 Video cable plant with Taps/Splitters and Amplifier(s) that will interconnect all computers, telephones, related peripherals and video projectors within the renovated Grass Lake Middle School.

Grass Lake Middle School will also require the installation of an underground directionally bored 12 strand Single mode armored fiber optics cable between the District Headend at George Long Elementary and the Middle School.

Existing renovated buildings within Grass Lake Community Schools have **Hubbell** connectivity products installed using a premium Category 6 UTP plenum rated cable. This Proposal will match the existing manufacturer and products already installed within the School District.

Building drawings will be provided to vendors in electronic format upon request.
