- A. Specific details in the response, particularly in terms of dates, numbers and dollars. Vague and/or general responses are not acceptable.

V. Best and Final Offer (BAFO)

If the selection process does not lead to a viable award recommendation, or if deficiencies are identified, DTMB, at its discretion, may prepare a Deficiency Report and/or Clarification Request (DR/CR) for each proposal determined to be in the competitive range. Bidders will be allowed to respond in writing to the DR/CR with a Best and Final Offer (BAFO). The BAFO may include changes to the original proposal, including alterations to the original price proposed. BAFOs must be submitted by the deadline established by DTMB.

After reviewing the BAFOs, DTMB will reevaluate the proposals using the original evaluation method. If an alteration to the original published evaluation criteria is to be made, changes in the criteria will be published to all Bidders as part of the issuance of the DR/CR’s.

Bidders will NOT be provided any information about other proposals or where the Bidder stands in relation to others at any time during the evaluation process. Any request for such information will be viewed as a compromise to the evaluation process and the requesting Bidder may be eliminated from further consideration. Requests for proposal information by a Bidder, its subcontractor, or an affiliated party before bid award may also result in disqualification.

Bidders are cautioned to propose their best possible offer at the onset of the process, as there is no guarantee that any proposal will be allowed an opportunity to submit a BAFO.
