

REQUEST FOR PROPOSALS

DEPARTMENT OF EDUCATION – OAKFIELD TOWNSHIP, KENT COUNTY

SR #2010-0380

I. Introduction

The State of Michigan, by its Department of Technology, Management and Budget (DTMB), for its Department of Education (DOE) seeks proposals for leasing its Camp Tuhsmeheeta property located in Oakfield Township, Kent County, Michigan. The State seeks to initially make the subject property available via a Month-to-Month Agreement for up to twelve (12) months as a trial. If, at any point during the trial period, the parties agree that their experience in that Month-to-Month Agreement has been mutually rewarding and successful, the State may offer the Tenant a longer term Lease with similar initial rent and similar (but not identical) other terms, and subject to the added approvals for longer term Leases described herein.

Details on the camp property available for leasing and the terms of the initial Month-to-Month Agreement are included in this Request for Proposals (RFP) and its attachments. Please review and read this RFP package thoroughly. Potential Tenants that could operate DOE's Camp Tuhsmeheeta as a private for-profit or non-profit business operation within the terms and parameters specified herein, are strongly encouraged to respond. Proposals must be based on the sample documents and requirements as detailed herein. Instructions for how to properly submit proposals and questions on this RFP are also included herein. Proposers are hereby notified that communications during the RFP process other than those called for herein may result in a proposal's rejection.

Note that State tax credits and other business incentives are administered by the Michigan Economic Development Corporation (MEDC), which is the appropriate contact for related resources and program information. DTMB will not accept proposals contingent upon receiving credits, incentives or other project cost inducements.

The State reserves the right to waive any irregularities or defects in any submission; to request clarifications or additional information regarding proposals; to conduct a Best and Final Offer (BAFO) run-off competition between leading proposers; and to reject any and all proposals at the State's sole discretion. The submission of this RFP does not constitute an agreement to lease with the State. The State shall assume no liability whatsoever for any expense incurred by a Proposer in replying to this RFP, or any development risk of a successful proposer. A Month-to-Month Agreement for leasing the subject premises, if completed, shall be with the proposer deemed to have offered the best overall value to the State of Michigan.

II. Forms and Documents

II.1 - Lease of State-Owned Space Proposal Form: To be considered, your proposal shall be made on the enclosed Lease of State-Owned Space Proposal Form and all blank spaces on that form are to be filled in. Incomplete proposal forms may be rejected. Your signature on the form must be in longhand, and no part of the form shall be altered (except to document alternate terms proposed, if any, in the manner provided on the form).

II.2 - Proposed Form of Month-to-Month Agreement: A proposed Month-to-Month Agreement designed to govern this specific leasing opportunity is enclosed including its Attachments A-E. Exceptions or alterations to that Month-to-Month Agreement may have an impact on the recommendation. The State of Michigan reserves the right to make further modifications to the leasing document to accurately reflect final business terms agreed to by the parties.

III. Required Approvals, Legal Documentation and Disclosures

III.1 - Required Approvals For State Month-to-Month Agreements and Leases: No Month-to-Month Agreement shall be binding or effective on either party until it is approved and executed by the Department of Technology, Management and Budget and the date of execution by the Department of Technology, Management and Budget shall be the effective date of the Month-to-Month Agreement. At any time prior to execution by the Department of Technology, Management and Budget, the State reserves the right to reject the proposal and terminate the Agreement approval process. If the parties subsequently endeavor to enter into a longer term Lease to succeed the Month-to-Month Agreement, that Lease will also require approval as to legal form by the Department of Attorney General; implementation approval by the State Administrative Board and execution by the Department of Education and the Department of Technology, Management and Budget and it shall not be effective or binding without those approvals.

III.2 - Required Documentation From Proposers: A complete and proper proposal will, at a minimum, contain the following documents:

1. A completed "Bidder's Acknowledgement" form.
2. A completed "Lease of State-Owned Space Proposal" form (specifically for SR# 2010-0380) and any attachments thereto as called for on that form.
3. Documentation as necessary to confirm a proposer's legal entity status and their legal authority to enter into a leasing agreement, including the signatory's authority to bind an entity contractually.
4. Bidders Comprehensive Camp Tuhsmeheeta Program Statement. Using Attachment E to the proposed Month-to-Month Agreement as a guide, Bidders must submit a detailed description of the camping and educational programs they propose to offer at Camp Tuhsmeheeta over a course of one full year and how these will serve the targeted populations. Form and content of this submission to be determined by Bidders, but a maximum length of ten (10) double-spaced text pages is recommended.

Failure to provide the foregoing documentation may result in a proposal's rejection.

III.3 - Disclosures: All materials submitted by proposers may be subject to public disclosure, once unsealed and after the proposal evaluation process, under the Michigan Freedom of Information Act (FOIA) (P.A. 442 of 1976, as amended.) However, no such disclosures will be made about proposals or about where a given proposal "stands" in relation to others, at any time during the evaluation process. All proposal-related materials submitted by proposers become the property of the State of Michigan and cannot be returned.

IV. Selection Criteria and Submission

- F. Demonstrated ability to honor a commercial leasing agreement via positive references from past Lessors/Landlords.
- G. Ability to advance the stated public education goals of the Michigan Department of Education in general as well as those specific to the resources and special populations to be served at Camp Tuhsmeheeta as detailed

in Attachment E to the proposed Month-to-Month Agreement and as expressed in Bidder's Comprehensive Camp Tuhsmeheeta program statement.

- H. Other tangible or intangible specific benefits to the State not listed here that the prospective Tenant may care to offer.

IV.2 - Site Tour: The Department of Education will host a part-walking and part-driving site tour of the Camp Tuhsmeheeta Property **on Wednesday, October 6, 2010 beginning promptly at 10:00 a.m. and ending approximately at 12:00 noon, Eastern Standard Time.** Participation on the tour by prospective bidders is mandatory. Prospective bidders should report for the tour on time to Elm Hall located on the Camp Tuhsmeheeta grounds. All other questions about this RFP and the selection process shall be answered as provided in Section IV.3 below.

IV.3 - Questions and Answers: Questions concerning clarifications or standards contained in this RFP are to be submitted by e-mail only (please indicate proposal number SR 2010-0380 in the subject line) no later than **5:00 p.m. Eastern Standard Time on Monday, October 11, 2010** to: DTMB-realestate@michigan.gov

IV.4 - Proposal Submission: Two (2) printed copies of each proposal, clearly indicating the appropriate proposal number SR 2010-0380, must be received by **3:00 p.m. Eastern Standard Time on Friday, October 22, 2010** at the address below:

Printed and electronic copies of proposals MUST be received by the date and time stated herein or they will not be accepted. There will be no exceptions.

All proposals must be valid for one-hundred and twenty (120) days from the submission due date, unless mutually agreed to in writing by both parties.

IV.5 - State Acceptance and Authority: After all proposals have been analyzed and the recommendation is made to and accepted by the State, DTMB will notify all proposers accordingly. Any proposals not meeting the minimum requirements of the enclosed Month-to-Month Agreement and this RFP may be rejected.

Proposers are expected to submit their highest and best offer for rent and all other selection criteria in response to this RFP. However, it is the State's practice to seek out the best and most responsive OVERALL proposal for the Department of Education across all selection criteria set forth in this RFP. Accordingly, a proposal may not be selected just because it offers the highest rent alone.

The Management and Budget Act (1984 Public Act 431, as amended) specifies that the Department of Technology, Management & Budget is the only department authorized to enter into leasing agreements, subject to obtaining all necessary approvals. No individual, employee or agent of the State of Michigan has authority to bind the State without proper authorization. Further, you must receive a fully executed leasing agreement document, signed by an authorized representative of the Michigan Department of Technology, Management & Budget for it to be valid.

Thank you for your interest in doing business with the State of Michigan.
