

Standish-Sterling Community School District
Standish, Michigan 48658

Request For Bids – Commercial Saltwater Chlorinator
for Standish-Sterling Central High School

The District is proposing to add a Commercial Saltwater Chlorinator at Standish-Sterling Central High School as indicated in the related bidding documents. This proposal covers all labor, materials and costs for a complete project. The Standish-Sterling Board of Education is requesting sealed Proposals that should be clearly designated as "Standish-Sterling Central High School Commercial Saltwater Chlorinator" and submitted to the address listed below:

Michael B. Dodge, Superintendent
Standish-Sterling Community School District
3789 Wyatt Road
Standish, MI 48658

Contractors are required to visit the site and are required to obtain all required permits and approvals. Contractors must provide for the electrical work associated with this project.

Bidders are required to clearly designate the specific work that they are including in their proposal. Any deviation from the project as described shall be clearly noted.

Alternates and Substitutes will be considered if the bidder supplies clear documentation of these alternates. The Board of Education reserves the right to accept or reject any or all bids and is not bound to accept the low bid.

Sealed proposals must be received by 10:00 a.m. on February 14, 2008, at which time they will be publicly opened and read aloud.

Additional information may be obtained by contacting the Administration Office of the Standish-Sterling Community School District.

The Board reserves the right to reject any and all proposals or accept any proposal that in its opinion will serve the best interests of the district.
