Project: Classroom A/V Systems in 41 existing classrooms at:

Thornapple Kellogg High School
3885 Bender Road
Middleville, MI 49333

Summary:

The Thornapple Kellogg School District is seeking turnkey proposals to design, provide, install, test, document, train and provide warranty for an integrated audio and video classroom system for Thornapple Kellogg High School. The project affects 41 classrooms.

Qualified bidders are invited to submit proposals for this project according to the specifications indicated in the RFP. The proposal shall include a well-documented Design/Build System that best meets all the minimum requirements of the Request for Proposal. Qualified bidders are encouraged to review and understand the required bid forms and other submittal requirements prior to designing and proposing a System.
