QUALIFICATION STATEMENT

Issued under authority of Act 451, P.A. 1994 as amended.

This Qualification Statement must be completed in order to be considered for bid award and will be used by the Michigan Department of Natural Resources for the purpose of establishing the qualifications of firms for installing the membrane roofing system and associated work at the DNR Naubinway Field Office, Mackinac County, Michigan. Only those firms with experience in jobs of similar volume and character needed to perform the task outlined in the attached bid documents will be considered for the project. The Department of Natural Resources will evaluate project references and previous Department experience with the bidders firm in determining if a firm is qualified to execute this work.

INSTRUCTIONS: Describe the most recent job experiences (three minimum) most applicable to the tasks outlined in the Proposal and Contract. Please supply references and telephone numbers.
