DEPARTMENT OF NATURAL RESOURCES

LANSING

REBECCA A. HUMPHRIES
DIRECTOR

RESUBMITTED: September 17, 2007

Memorandum to the Director

Information: Natural Resources Commission

SUBJECT: Repeal of Order to regulate Tippy Dam campground boating access site 51-22,
Manistee County

Authority:

The Natural Resources and Environmental Protection Act, 1994 PA 451, as amended, authorizes the Director to issue orders to implement land use rules.

Discussion and Background:

Development of Tippy Dam Boating Access Site (BAS) 51-22 has progressed to a point of single entrance control, with available parking lots, boating access site, and campground. The Parks and Recreation Division resolved to designate Tippy Dam BAS 51-22 as a Michigan state recreation area (Amendment No. 5 of 2007).

Section 2.111 (1-14) prohibits certain behavior(s) of facility users, and Section 2.106(7) prohibits parking at the BAS 51-22. Due to the designation change from boating access site to a recreation area, certain Land Use Orders of the Director applicable solely to Tippy Dam BAS should be repealed, eliminating duplication within the Land Use Order. Land Use Orders applicable to state recreation areas now apply at Tippy Dam Recreation Area.

Proposal:

The proposed amendment repeals certain boating access site land use orders to eliminate duplication.
