

Learning to Live with the Eastern Massasauga Rattlesnake

Saturday, May 3, 1 - 3 p.m.
Wolf Lake State Fish Hatchery Visitor Center
Mattawan, MI

Photo by Matthew Heumann

The workshop will include:

- ❖ Identification, life history, status and conservation of the massasauga in Michigan
- ❖ Opportunities to observe a live massasauga and other “look-alike” snakes
- ❖ Avoiding and treating snakebites
- ❖ Land management activities and snakes
- ❖ How to safely move a snake (only if absolutely necessary!)
- ❖ A short hike (weather permitting) on trails to explore typical massasauga habitat.

Registration (recommended) and questions: Shana McMillan (269) 668-2876, mcmillsk@michigan.gov or Daria Hyde (517) 373-4815, hyded@michigan.gov.

Sponsored by: Michigan Natural Features Inventory and Wolf Lake State Fish Hatchery

Web: www.msue.msu.edu/mnfi/emr Funds provided by EPA Environmental Education Grants Program.

Accommodations for persons with disabilities may be requested by contacting Daria Hyde at (517) 373-4815 by April 25 to ensure sufficient time to make arrangements. Requests received after this date will be met when possible.
